Maximum Attendance Adults Children

Maximum occupancy is limited to people regardless of if swimming or not. Occupancy (regardless of if swimming or not) shall not exceed the number indicated above upon securing rental, since the number of lifeguards is based on the volume of people. Lifeguard ratios are as follows:

Children under the age of seven will not be admitted to the swimming pool unless they're accompanied by a parent or guardian who is at least 14 years old. The parent or guardian must be in the water within arm's reach of the child at all times. As a parent or guardian, you can swim with two children who are six years of age or under.

Children between the ages of eight and nine must successfully pass our swim test to be able to swim alone. Children in this age range who do not pass the swim test are required to have a parent or guardian in the water within arm's reach. As a parent or guardian, you can swim with either two children or five children wearing life jackets.

Children 10 years and older are permitted to swim on their own. Swimming with a buddy is strongly recommended.
