Volunteer Firefighter Shall mean a fire fighter who provides fire protection services either voluntarily or for a nominal consideration, honorarium, training or activity allowance.

2. Establishment

The Fire Department for the Municipality of South Bruce, commonly known as **South Bruce Fire Rescue Service**, is hereby established under the direction of the Fire Chief to provide fire protection services and such other approved rescue and emergency services for the Municipality of South Bruce in accordance with Part II, Sections 2. (1), (2) & (3) in the FPPA, as outlined in the Public Fire Safety Guideline, PFSG 04-12-13, **SCHEDULE 'A'** of this By-Law.

3. Department Structure

The Fire Department shall consist of the following as seen within and in Schedule B of this by-law: a Fire Chief who is the head of the Fire Department as appointed by Council and two (2) Deputy Chiefs (one for Station 170 and one for Station 180), (2) District Chiefs, Officers, Fire Captains, fire fighters and clerical staff as may be authorized or considered necessary from time to time by the Council, through the Administrator-Treasurer in order for the Fire

Department to perform fire protection services, rescue and emergency services for the municipality in an efficient and effective manner.

Further, the provision of fire protection services and other rescue and emergency services to any municipality outside of the territorial jurisdiction of the Municipality of South Bruce is permissible through Automatic Aid, Mutual Aid, this By-law or any other agreement between said municipality and the Corporation of the Municipality of South Bruce.

4. Fire Chief Responsibilities and Authority

The Fire Chief shall be the head of the Fire Department and shall report to the Administrator-Treasurer and will ultimately be responsible to Council as required by the FPPA. The Fire Chief will be responsible for the proper administration and efficient and effective operation of the fire department including the delivery of approved Programs and Services and is generally responsible for the following operational matters:

- a) For the care and protection of all property belonging to the Fire Department;
- b) For arranging the provision of necessary and proper facilities apparatus, equipment and supplies for the Fire Department;
- c) For determining and establishing the qualifications and criteria for employment or appointment and the duties of all officers, fire fighters and administrative staff of the Fire Department;
- d) For the conduct and discipline ranging from reprimand to recommending dismissal of any officer, member or administrative services staff person of the Fire Department;
- e) For assisting any other public official in an emergency declared by the Head of Council, the Premier of Ontario, or the Prime Minister of Canada;
- f) For reporting to the appropriate crown attorney, or other prosecutor, law enforcement or other officer the facts upon the evidence in any case in which there is reason to believe that a fire has been the result of criminal intent or negligence or in which there is reason to believe an offence has been committed under the Fire Protection and Prevention Act, 1997;
- g) For keeping an accurate record, in convenient form for reference, of all inspections, rescues and other emergencies responded to by the Fire Department in a manner consistent with the applicable records management policies of the Municipality of South Bruce, and that meet the requirements of the Office of the Fire Marshal of Ontario (OFM);
- h) For keeping such other records as may be required by the council;
- i) For preparing and presenting periodic reports to the Council through the Administrator-Treasurer as requested and any other specific reports requested by the Council; and,
- j) For preparing and presenting the annual business plan and estimates

of the Fire Department to the Council through the Administrator-Treasurer and for exercising control over the budget approved by the Council for the Fire Department.

The Fire Chief shall further take all proper measures for the prevention, control and extinguishment of fires and the protection of life and property and the management of emergencies within the territorial jurisdiction of the municipality provided that such general orders, policies, procedures, rules, regulations and other measures do not conflict with the provisions of this By-law or any other By-law of the municipality, and shall exercise all powers mandated by the Fire Protection and Prevention Act, and without restricting the generality of the foregoing shall be empowered to authorize:

- a) Pulling down or demolishing any building or structure to prevent the spread of fire;
- b) All necessary actions which may include boarding up or barricading of buildings or property to guard against fire or other danger, risk or accident, when unable to contact the property owner; and,
- c) Recovery of expenses incurred by such necessary actions for the Corporation in the manner provided through the Municipal Act and the Fire Protection and Prevention Act and applicable municipal By-laws.

The Fire Chief shall be responsible for the enforcement of this By-law and the development and enforcement of all general orders, policies, standard operating guidelines, procedures, and rules and regulations established under this By-law and for the enforcement of any other By-laws of the Corporation respecting the administration and operation of the Fire Department, and shall review periodically such laws and may, for this purpose, establish advisory committees consisting of officers and other persons (including members of the general public) as the Fire Chief and Administrator-Treasurer may determine necessary from time to time to assist him in the discharge of this duty.

The Fire Chief shall periodically review, revise or terminate, as required general orders, policies, procedures and rules of the Fire Department.

In the case of By-laws, including this By-law, recommend to the Council through the Administrator-Treasurer, such amendments, as the Fire Chief considers appropriate.

The Fire Chief shall have all powers, rights and duties assigned to a Fire Chief under the Fire Protection and Prevention Act, 1997, including without limitation the authority to enforce compliance with the Fire Code made under this Act.

The Fire Chief shall provide liaison with any association representing members of the Fire Department.

The Fire Chief shall provide liaison with the Office of the Fire Marshal of Ontario and any other office or organization as required by the council or as considered necessary or advisable by the Fire Chief for the proper administration and efficient operation of the Fire Department and the effective management of fire protection services for the Corporation.

The Fire Chief may utilize such officers, members of the Fire Department as the Fire Chief may determine necessary, from time to time, to assist in the

performance of his duties.

Where Fire Chief designates a member to act in the place of himself or another officer in the Fire Department, such member, when so acting, has all of the powers and shall perform all duties of the officer replaced.

5. Authority to leave municipal limits

The Fire Department shall not respond to a call with respect to a fire or emergency outside the limits of the municipality except with respect to a fire or emergency:

- a) That, in the opinion of the Fire Chief or designate of the Fire Department, threatens property in the municipality or property situated outside the municipality that is owned or occupied by the municipality;
- b) In a municipality with which an approved agreement has been entered into to provide fire protection services which may include automatic aid;
- c) On property with which an approved agreement has been entered into with any person or corporation to provide fire protection services;
- d) To a municipality authorized to participate in any county, district or regional mutual aid plan or any other similar reciprocal plan or program;
- e) On property beyond the municipal boundary where the Fire Chief or designate determines immediate action is necessary to preserve life or property and the appropriate department is notified to respond and assume command or establish alternative measures, acceptable to the fire chief or designate.

6. Deputy Fire Chief

In addition to the Fire Chief, the Council shall appoint 2 Deputy Fire Chief(s). The Deputy Fire Chief(s) shall be the second ranking officers of the Fire Department and shall be subject to and shall obey all orders of the Fire Chief and shall perform such duties as are assigned by the Fire Chief, and shall, when the Fire Chief is not available, have the powers and perform the duties of the Fire Chief.

7. Divisional responsibilities designated by chief

Each division of the Fire Department is the responsibility of the Fire Chief and is under the direction of the Fire Chief or a member designated by the Fire Chief. Designated members shall report to the Fire Chief on divisions and activities under their supervision and shall carry out all orders of the Fire Chief.

8. Supervision of Personnel

The officers, members and other administrative services staff personnel of the Fire Department while on duty shall be under the direction and control of the Fire Chief or the next ranking officer.

9. Eligibility for Employment
