THIS AMENDED & RESTATED MULTI-YEAR FUNDING AGREEMENT (the “**Amended & Restated Agreement**”) is made as of _____, 2021 (the “**Effective Date**”) between the Nuclear Waste Management Organization (“**NWMO**”) and the Corporation of the Municipality of South Bruce (the “**Municipality**”).

WHEREAS the NWMO and Municipality entered the Agreement dated as of July 1, 2020 and now wish to amend certain portions of the Agreement to extend the First Year Term, amend the First Year Work Plan and Budget along with other ancillary sections.

NOW THEREFORE in consideration of the mutual covenants herein, the NWMO and Municipality agree as follows:

SECTION 1 PURPOSE AND OBJECTIVE

1.1 Continuation of APM Site Selection Process

The purpose of this Agreement is to provide the Municipality with the funding necessary to continue participating in NWMO’s Adaptive Phased Management Site Selection Process (the “**APM Site Selection Process**”), to independently assess the benefits and potential impacts of locating a deep geological repository (the “**DGR**”) and Centre of Expertise in South Bruce, and to explore the potential for partnership between the NWMO and the Municipality related to the APM Project and the APM Site Selection Process.

1.2 No Community Consent

NWMO acknowledges that the entering into of this Agreement by the Municipality does not constitute community consent to the DGR or the selection of South Bruce as the final host community in the APM Site Selection Process.

SECTION 2 NWMO FUNDING

2.1 Funding Obligation

NWMO will provide the Municipality with the necessary funding to cover all Costs (except Ineligible Expenses) related to the Core Funding Activities, Community Well-Being Activities, Early Investments in Education and Skills and the Near-term Investment Activities in accordance with the Budget and Work Plan.

2.2 First Year Budget and Work Plan

The Budget and Work Plan for the First Year are attached as Schedule B of this Agreement.

2.3 Second Year Budget and Work Plan

The Municipality will submit a Budget and Work Plan for the Second Year by October 1, 2021. 2.4 Third Year Budget and Work Plan

The Municipality will submit a Budget and Work Plan for the Third Year by October 1, 2022. NWMO will review the Budget and Work Plan for the Third Year and, upon receiving NWMO's agreement, the parties will execute an amendment in accordance with Section 13 to replace the Budget and Work Plan in the Schedules.

2.5 Community Well-Being Activities Reserve Fund

The Municipality shall maintain a reserve fund for the Community Well-Being funding amount under this Agreement. The Municipality shall provide the NWMO with the applicable Council by-law or resolution establishing the reserve fund.

2.6 Near-term Investment Activities

The Municipality may from time to time submit proposals to NWMO for funding for Near-term Investment Activities not identified in the Budget and Work Plan. If NWMO agrees to fund such Near-term Investment Activities, the parties shall enter into a separate contract for such Near-term Investments Activities and then attach such contract as Schedule C in accordance with Section 13.

SECTION 3 DISBURSEMENT AND USE OF FUNDS

3.1 Initial Disbursement

Each request for a Quarterly Disbursement will be accompanied by (i) a Request for Funding and (ii) a report that specifies, for the preceding three months, those activities in the Work Plan undertaken by the Municipality, certifies the Costs incurred by the Municipality and identifies any variances from the Budget (the "**Quarterly Report**").

The parties will discuss any concerns arising from the Quarterly Report and resolve any queries in a timely manner.

3.3 The Use of Funds

The Municipality shall use the funding provided under the terms of this Agreement solely for the purposes of carrying out the Core Funding Activities, Community Well-Being Activities, Early Investments in Education and Skills and the Near-term Investment Activities as provided for in the Budget and Work Plan.

The Municipality may reallocate amounts of less than \$25,000 between activities listed in the Budget and Work Plan without submitting a revised Budget and Workplan to the NWMO. For any reallocations greater than \$25,000, the Municipality shall submit a revised Budget and Workplan to the NWMO and, upon receiving NWMO's agreement, the parties will execute an amendment in accordance with Section 13 to replace the Budget and Work Plan in the Schedules.

3.4 Unused Funds

If the total of the Initial Disbursement and the Quarterly Disbursements in the First Year is less than the Annual Funding for the First Year, the Municipality may request an increase in the Annual Funding for the Second Year which will be considered by the NWMO.

If the total of the Quarterly Disbursements in the Second Year is less than the Annual Funding for the Second Year, the Municipality may request an increase in the Annual Funding for the Third Year which will be considered by the NWMO.

The Municipality will not be entitled to carry over such unused funding past the end of the Third Year without the agreement of NWMO and shall return any unused funds to NWMO if requested by NWMO within sixty (60) days of the end of the Third Year.

If this Agreement is terminated prior to the end of the Third Year, the Municipality will not be permitted to carry over any unused funding past the end of the Term unless otherwise agreed to by the parties, acting reasonably with the objective of ensuring that the costs committed by the Municipality for participating in the APM Site Selection Process are fully covered.
