

Municipality of South Bruce

Structure 1019 Replacement

Contract No.: 300052416.0000

SEALED BIDS, on forms supplied by the Contract Administrator, submitted in an opaque envelope will be received at the **Municipality of South Bruce Office, 21 Gordon Street East, P.O. Box 540, Teeswater ON N0G 2S0** until:

2:00:00 p.m., local time Wednesday, March 20, 2024

The Work includes the replacement of the existing cast-in-place concrete rigid frame structure with a new 5.4 m (span) x 1.6 m (rise) x 16.0 m (long) precast concrete box culvert, which includes the following:

- Installation of erosion control measures;
- Coordination with approved utility contractors;
- Management of the watercourse during construction as required;
- Existing structure excavation and removal;
- Installation of new precast concrete box culvert units, including concrete apron walls, steel connection plates, and waterproofing;
- Granular road works, grading and ditching;
- Asphalt paving; and
- Restoration of the site upon completion of the work.

A digital copy of the Bid Documents may be obtained starting **Wednesday February 21, 2024**, from the Contract Administrator, free of charge. Please contact Jackie Hunter at jackie.hunter@rjburnside.com for a copy of the tender documents.

In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
