

**The Teeswater Medical Centre
at 28 Clinton St., South is seeking proposals from
qualified contractors for comprehensive snow
removal services for its parking lot and associated
walkways during the winter season.**

The scope of work includes timely plowing of all parking areas, clearing of access ways, entrances, and pedestrian pathways to ensure safe and uninterrupted access for patients, staff, and emergency services. Contractors must be equipped to respond promptly to snowfall events, including early morning and overnight accumulations, and provide sanding requirements as needed.

Snow clearing is required by 07:30 each day with the exception of Sundays, as the facility is closed on Sunday.

Proposals should detail equipment to be used, staffing plans, response times, pricing structure (per visit or seasonal), and proof of \$2 Million liability insurance. Preference will be given to vendors with experience servicing industrial, commercial or healthcare facilities and a demonstrated commitment to safety, reliability, and environmental best practices.

**If more detail is required contact
Larry Hayes (519-901-2035)**

Send proposals to:

teeswatermedicalcentre@gmail.com

Submission deadline is Friday, Nov. 28, 2025.
