PLAN 2 WAYS OUT!

If a fire occurred in your home tonight would your family get out safely?

A fast, pre-planned escape is critical to survival. There are **no second chances** in a fire.

Follow these simple steps:

Determine who's going to help young children, older adults, people with disabilities or anyone else who needs help escaping.

Have a **meeting place** outside your home.

EVERY SECOND COUNTS!

Fire and smoke can travel so quickly that despite their best efforts, firefighters may not be able to rescue you or your family if a fire occurs in your home. You **need** to be *out of your home* when the firefighters arrive!
