Open Air Fire Ban

Due to high fire danger, conditions of extreme temperatures, lack of substantial precipitation and a weather forecast that is unfavorable, South Bruce Fire Rescue has issued a partial open air burn ban for all open-air fires within the **Municipality of South Bruce**, effective immediately.

Included in this **BAN**, but is not limited to:

- Burning brush, trees or wood debris
- Burning of yard waste
- Burning of old farm buildings or other structures
- Agricultural or Industrial burns
- Burn barrels
- Fireworks & Sparklers

Open-Air Burn Permits will be suspended until further notice. No new permits will be issued.

What is **PERMITTED** under the Ban:

- Small, supervised campfires used for cooking and warmth in approved fire pits.
-

Please use extreme caution, ensure that fire extinguishing tools are readily available at all times, such as: A Shovel, Nearby Water Source (Bucket or Garden Hose), or Fire Extinguisher.

Thank you for your cooperation.

Fire Chief

Krista Tiernan
